

Project Open Source | Open Access Student Experience Programme Winter 2006 Competition

Deadline for Applications: Thursday February 16th, 2006

The **Project OS|OA Student Experience Program** is an opportunity for U of T students to participate in research projects investigating aspects of open source and/or open access.

Funding awards are available for students to engage in these projects as Student Research Assistants under the direction of faculty sponsors. Students and faculty are invited to submit a proposal for the Winter 2006 Competition.

Details regarding the Winter 2006 Competition are posted on the **Project OS|OA** website at <http://open.utoronto.ca/>. Approved projects will receive funding in the range of \$1000 – \$2000, with all funds being used to support students. Contact us at: info@open.utoronto.ca

Project Open Source | Open Access

is supported by an award from the U of T Provost's Academic Initiatives Fund (AIF)
and is being administered by the Knowledge Media Design Institute.
